Description

The Library is seeking to appoint a professional supplier to fulfil its Estates Maintenance contract.

The contract covers the delivery of:

- Mechanical & Electrical (M&E) services (both planned preventative maintenance (PPM) and reactive)
- Environmental services
- Fabric maintenance services (both PPM and reactive)
- Accommodation services

- Associated services

A detailed requirement is provided within the Specification at Part C to the Procurement Document Set, downloadable via Delta E-sourcing.

The Contract shall cover services across the Library's entire portfolio, currently at St Pancras and Boston Spa.

It is envisaged that the initial term of the contract will be 5 years, with an optional extension period of up to 5 years.

The contract shall be awarded in its entirety and will not be let in lots due to the economic and practical efficiencies presented by a single contract delivery model.

For further information please download the full document set via Delta E-sourcing.

Preliminary market engagement took place prior to the commencement of the Procurement Process with a range of suppliers.
