Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This contract has been awarded under the urgent circumstances provision of the Provider Selection Regime (PSR). This contract has been awarded under the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions

of the Public Contracts Regulations 2015 do not apply in this award.

Rationale as to why this provider has been awarded:

In line with the guidance for exemptions in urgent situations under the Public Contracts Regulations (PSR), the current provider has been awarded the contract due to the following reasons:

- Continuity of Care: The current provider has established relationships with service users, ensuring seamless care and avoiding disruption that could arise from transitioning to a new provider.
- Immediate Capacity and Expertise: The provider possesses the necessary infrastructure, workforce, and clinical expertise to continue delivering services without requiring additional mobilisation time.
- Avoidance of Service Gap: Appointing a new provider would require a significant transition period, during which service users could experience delays or a temporary lack of access to critical mental health support.
- Compliance with Urgent Procurement Regulations: this urgent award is justified as the ICB has identified extreme urgency that prevents the implementation of a competitive tender process to cover the service provision.

Proposed review date to conduct a full application of the PSR for that service: N/A as the Authority is undergoing a Review of the Competitive Procurement Process.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
