### **Scope**

#### **Description**

The Authority's requirement is to procure a replacement contract for its current Lease and Landlord Management (LLM) 2 services, which forms a key part of DWP's Estates Operating Model.

The LLM2 contract provides a single, national coverage contract that requires the Supplier to manage the portfolio of DWP's leases (including lease renewals, rent reviews, liaison with landlords and general property portfolio administration activities) and intra-Government and wider public sector occupancy agreements. This currently includes assuring and managing the payments in respect of DWP's property portfolio including but not limited to rents, rates, insurance and service charges and the collection of rents and service charges from DWP's tenants.

The LLM contract delivers a key service to the Department and is responsible for payment of approximately £320m per year in rent, rates and service charges.
