Description

Derby City Council is tendering for CQC registered Outcome focussed Home Care Services including TEC enabled Care for Adults, 18 years and over who are resident in Derby and meet the eligibility criteria for Derby City Council.

Successful bidders will provide outcomes-focused homecare services for adults, incorporating Technology Enabled Care (TEC) to enhance service delivery. The goal is to support individuals' independence, dignity, and overall well-being through personalised care and innovative technological solutions.

In line with good practice and national directives, Local Authorities aim to reduce the demand for institutional care by increasing options for community support by commissioning or providing services which promote and support independence.

The framework is split into five lots as follows:

Tier 1

Lot 1 - Central Area

Lot 2 - West Area

Lot 3 - East Area

Lot 4 - South Area

Tier 2

Lot 5 - A separate list of approved support providers required on an ad-hoc basis

For Lots 1, 2, 3 and 4 we require four providers per lot. Providers will be asked to submit their preferred Lots and will be allowed to be successful in no more than two Lots.

For Lot 5 we intend to appoint a maximum of 10 providers.

No providers who are successful in Lots 1, 2, 3 or 4 will be allowed a place on Lot 5.

IMPORTANT

This tender will be undertaken as a Two Stage Competitive Flexible Procedure under the Procurement Act 2023 and the Procurement Regulations 2024 (Light Touch Regime).

Bidders who pass the Stage One (Conditions of Participation) checks will be invited to a Stage two process where they will be asked to submit responses to a number of Working Methods questions (Quality Evaluation). These questions will only be provided during the Stage Two process.

Important - Bidders must be registered with the CQC for the provision of Homecare services and must have a rating of "Good" or "Outstanding".

Bidders who have a rating of "Requires Improvement" will be accepted provided their most recent inspection was over 3 years ago and they can provide evidence of an acceptable improvement plan.

Important - bidders must have or commit to having an office base within 10 miles of the Derby city boundary in time for contract commencement.

IN ALL OTHER SCENARIOS BIDDERS WILL FAIL THE INITIAL STAGE ONE CHECKS OF THE PROVIDER SELECTION QUESTIONNAIRE.

The Council reserves the right to open a Lot or Lots and run an open competitive tendering process to replace existing Framework Service Provider due to failure/poor performance/material breaches etc.

There will also be the option of opening up a Lot or Lots to add an additional Service Provider where there are capacity issues within that Lot.

Please note suppliers wishing to express interest and obtain the documentation must do so by 11.30pm on 27/08/2025. It is recommended that you express interest and obtain the documentation well before this time to allow sufficient time to prepare and submit a bid.

The deadline for returns in Stage One is 10.00am on 28/08/2025.

Documents are available at www.eastmidstenders.org
