Description

The University of Birmingham wishes to invite tenders for the provision of comprehensive Waste Management Services. The aim is to ensure efficient, compliant, environmentally responsible, and cost-effective waste collection, disposal, and recycling services across all University campuses. The purpose of this tender is to identify a single provider who can meet the technical and operational requirements outlined in this document.

For full tender details, specification and how to respond to this tender please visit <https://intendhost.co.uk/universityofbirmingham/aspx/Home>

This tender is subject to the provisions of the Procurement Act 2023 and Procurement Regulations 2024. All tenderers must be registered on the government Central Digital Platform (CDP).
