## **Section III. Legal, economic, financial and technical information**

### **III.1) Conditions for participation**

#### **III.1.2) Economic and financial standing**

List and brief description of selection criteria

The Council's standard practice is to request a minimum Dun & Bradstreet (D&B) Failure Score of 20 as part of the tender process. D&B scores are also checked monthly as part of Contract Management activities.

Where the Failure Score is lower than the requirement or is unavailable due to organisational structures, other information such as audited accounts will be requested and reviewed by Finance to ensure they are satisfied with the financial stability.

Tenderers will also have to meet the minimum Insurance requirements (below).

Minimum level(s) of standards possibly required

The following insurance levels will be required as part of this procurement:

- Employers liability - statutory minimum 10million GBP, each and every claim. If a Provider is exempt from the legal requirement for employers' liability, then the Provider must confirm the relevant exemption that applies to them;
- Public liability - minimum 5million GBP, each and every claim
- Professional Indemnity - minimum 1million GBP, each and every claim
- Motor Vehicle - in the event that the Provider uses motor vehicles in the delivery of the Service, evidence of Third Party Liability Motor Vehicle Insurance, as required under the Road Traffic Act 1988 (as amended) for the use of such vehicles by the Provider and its Staff, agents and sub-contractors as may be appropriate. Cover should be unlimited in respect of death or injury

OR where there is no company fleet and employees use their own vehicles instead, a letter signed by a person of appropriate authority confirming that the provider has ongoing arrangements in place to ensure that employees' vehicles are appropriately insured and maintained for business purposes

OR where vehicles are not used in the delivery of the service, provide a letter stating this, signed by a person of appropriate authority confirming this.

#### **III.1.3) Technical and professional ability**

List and brief description of selection criteria

Tenderers must be able to demonstrate capability and capacity by providing examples which evidence their recent experience (ending within the last 3 years) relevant to the delivery of Services under this Contract, for example delivery of similar Services to local authorities.

The preference is for 2 years or more experience - however, in order to ensure that newer/start-up organisations can bid, a shorter period will be considered if it clearly demonstrates relevant experience and capacity.

All staff employed in the delivery of the Service must be PVG registered.

### **III.2) Conditions related to the contract**

#### **III.2.3) Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract
