II.1.4) Short description

NHS Midlands and Lancashire Commissioning Support Unit (MLCSU) is working on behalf of NHS Lancashire & South Cumbria Integrated Care Board(ICB) who were looking to undertaking a multi-lot procurement for the provision of Children & Young People Mental Health & Emotional Wellbeing Services (Lot 6 Resilience & Prevention) in Lancashire & South Cumbria.

The proposed model incorporated one service specification covering the 6 Lancashire and

South Cumbria Places/lots.

There was a maximum of 6 contracts (for each of the 6 places) totalling £500,000 for the full contract length, including the optional extension.

Each contract length was for 1 year, with an option to extend for an additional 1 year.

Please see below breakdown of lots and full contract values, including 1 year optional extension:

Blackpool (Lot 6A) £65,280

Blackburn with Darwen (Lot 6B) £68,584

South Cumbria (Lot 6C) £41,400

Lancs East (Lot 6D) £124,544

Lancs Central (Lot 6E) £120,030

Lancs North (Lot 6F) £80,162

The ICB set an affordability threshold for each lot within the Procurement. Bidders who submitted a bid over the maximum contract values in the procurement documents, would not achieve the score of a pass. Their bid was to be regarded as non-compliant and be a failed bid and the rest of the bid will be rejected and the scoring questions in each lot were not to be evaluated. This was to be checked during the preliminary stages of the evaluation during the compliance checks. This was not a competition on price.

The ITT was live on Monday 4th March 2024 on the Atamis Portal.

The deadline for submissions was Monday 8th April 2024 12:00pm Mid-day.

As part of this procurement process, the Authority was intending to identify a maximum of one provider for each of the 6 contracts.

To express interest and participate in the tender, providers were invited to register and apply via Atamis e-sourcing portal <https://health-family.force.com/s/Welcome>

The relevant reference number for this tender was C250223 and the questionnaires were located within the requirements.
