Tender

Species recovery project at Cabin Hill NNR

Natural England

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-045594

Procurement identifier (OCID): ocds-h6vhtk-056c2a ([view related notices](#))

Published 4 August 2025, 12:02pm

Scope

Reference

NE040825SRP

Description

This project aims to create and enhance new and existing dune slacks, providing new breeding opportunities for Natterjack toad. This essential habitat creation and enhancement is considered key to achieving favourable condition for the species and the project will help restore this site to conditions that support natterjack toads and encourage thriving populations within the Sefton Coast area. See specification document for more in depth overview of conservation work required.
