Description

Tees Valley Combined Authority (TVCA), part of the Tees Valley Combined Authority Group, seeks to engage the market through this Pre-Tender Market Engagement (PTME) exercise in preparation for the potential procurement of a single Concessionaire for the supply, installation, maintenance and operation of Electric Vehicle Charging Infrastructure, and associated works and services. Provision of on-street electric vehicle charging infrastructure (Local Electric Vehicle Infrastructure - LEVI).

Through this PTME, the Contracting Authority aims to:

- Understand the market's appetite to be involved in the potential future procurement

exercise;

- Validate the supplier's proposal;
- Understand the capacity of the market and timescales for delivery
- Potential risks associated with the procurement
- Understand opportunities, costs and considerations
- Provide potential suppliers with an opportunity to raise queries and points of consideration in advance of any potential procurement exercise.

Please refer to the Pre-Tender Market Engagement documents for further detail. These can be found on the ProContract e-tendering portal:
