#### **Description**

Birmingham City Council (BCC) is undertaking a Soft Market Testing exercise to explore the potential procurement of a flexible contracting agreement for training services for Birmingham Virtual School (BVS). This exercise is purely exploratory and intended to help the Council assess the viability and scope of a future procurement. Participation in this process is entirely voluntary and will not affect your eligibility to take part in any subsequent procurement activity.

The Training opportunity will be broken into 3 lots based on the target audience so that the services can be supplied under more than one contract.

Lot 1: Training for staff at educational establishments and other professionals

Lot 2: Training for Social Care Professionals

Lot 3: Training for Parents, Carers and Family Members
