### **Scope**

### **Description**

The Department for Education (DfE) seeks a single supplier to support and maintain the transition of the T Level Ambassador Network (TAN) from a single tier national network to a national network with a regional substructure. This will be a contract for an initial 2 years with the possibility to extend for a further 1 year.

TAN currently comprises over 900 volunteer ambassadors from employers, providers, students, and other stakeholders who promote T Levels.

The purpose of the contracted service is to enhance the impact and reach of the TAN by establishing and managing three regional sub-networks (North, Midlands, South), while maintaining national consistency and strategic alignment.

Summary of key requirements:

- Introduce and embed the regional substructure in collaboration with DfE and TAN leadership.
- Develop and deliver tailored operational plans for each region.

- Coordinate and support ambassador activity to increase reach and effectiveness.
  - Strengthen regional employer engagement and address local skills needs.
