Total value of the procurement: £0.01

Section VI. Complementary information

VI.3) Additional information

The criteria is in line with the Health Services (Provider Selection Regime) (Wales) Regulations 2025 as follows:

The Basic Selection criteria was required to provide detail of the:

provider's suitability to pursue a particular activity, e.g., a requirement to hold a specific authorisation or membership of a professional organisation, the necessary economic and financial standing, e.g., a minimum annual turnover and holding indemnity insurance, and the necessary technical and professional ability, e.g., a certain level of experience, and not having conflicting interests.

As detailed in the tender documents.

The Key Criteria, the providers current and likely future performance has been measured against the five key criteria with all being measured by applying a pass/fail metric. The provider has delivered and is likely to continue to deliver.

This was assessed under the following key criterion as stated in PSR Wales Regulations 2025 and aligned within the Framework;

1. Quality - Site audits in line with the publish quality standards.
2. Value - Verification of framework pricing in line with the published specification.
3. Collaboration and service sustainability - Confirmation of adherence in line with the published outcome measured standards.
4. Improving access and reducing health inequalities - Confirmation of adherence in line with the published outcome measured standards.
5. Social Responsibility - through the submission of the bidders response to community benefits.

Under Regulation 23(1) of the PSR, a relevant authority is not required to publish information under these Regulations if the relevant authority is satisfied that the information is sensitive commercial information and there is no overriding public interest in its being published. Due to this, please note, a nominal value has been stated to allow notice publication.
