Scope

Description

The purpose of this tender is to procure a suite of brand-new Windows 11 compliant digitisation equipment which is interoperable with the current studio equipment and software. The machines required will be located in our Boston Spa, West Yorkshire site, with the exception of one microfilm scanner which will be located in St Pancras, London. This equipment is to support the high-quality, high-speed mass digital capture of a wide range of archival and heritage materials.
