NHS Bristol, North Somerset, and South Gloucestershire ICB was looking to procure a new and redesigned set of non-statutory community-based perinatal mental health interventions that would help to reduce the gap between primary care and specialist perinatal mental health provision provided within Bristol, North Somerset and South Gloucestershire (BNSSG).

Following a comprehensive evaluation of all submitted proposals, it was determined that none adequately met the necessary criteria and was unable to award a contract. This procurement has therefore been abandoned, and the Commissioner will now begin to consider alternative options of how to commission provision for women and birthing people. This determination has been made in line with Regulation 15 of the Health Care Services (Provider Selection Regime) Regulations 2023.
