Description

The Planning Inspectorate requires access for 30 named users across the Environmental Services Team, including Environmental Specialist Inspectors and Knowledge Officers, to a comprehensive environmental planning information service. This service must provide:

Comprehensive Environmental Planning Features

Detailed coverage of all aspects of environmental planning, including relevant legislation, policy guidance, and regulatory frameworks.

Environmental Policy Development Tracker (PDT)

A sophisticated tracking tool that monitors UK environmental policy from draft stage through to implementation. It should offer personalisable tracking options and automated email alerts to keep users informed of the latest policy updates and developments.

Environmental Planning News and Intelligence

Access to essential daily and weekly bulletins, independent insights, expert analysis, and exclusive intelligence tools. These features should provide a well-rounded perspective on current developments in the environmental sector.

Market Reports and Expert Insights

In-depth market analysis and expert commentary tailored for professionals involved in the interpretation and implementation of environmental policy and legislation.

Expert Advice and Legal Commentary

Regular access to case studies, interviews with senior decision-makers, and monthly legal commentaries that offer practical insights and strategic guidance.
