Scope

Description

London Borough of Barnet is looking to appoint an artist or designer to deliver a creative heritage wayfinding trail, rooted in co-creation with community participants, that illuminates Barnet's heritage and celebrates the uniqueness of places in the borough.

The appointed contractor will design heritage-led engagement sessions enabling participants to discover, share and capture heritage important to them and their community. The outputs from the workshops will inform the creation of a Heritage Trail map, which is then brought to life in the public realm with a series of wayfinding interventions which highlight key sites and places. The contract period is from September 2025 - May 2026 or upon completion of the wayfinding interventions.
