Tender

Prince Philip Maritime Collection Centre - Spur Roof Overlay

Royal Museums Greenwich

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-046645

Procurement identifier (OCID): ocids-h6vhtk-0582c2

Published 6 August 2025, 4:05pm

Scope

Description

Portions of the wider RMG collection when not on display are managed and conserved at the Prince Philip Maritime Collection Centre (PPMCC) in Kidbrooke. The site comprises conservation studios and various modes of storage which vary between museum-grade 'conservation' conditioned spaces, standard grade 'domestic' conditioned spaces, 'background' conditioned spaces, unconditioned weatherproof stores, and exterior storage areas.

The A-Spur and C-Spur buildings are single storey pre-war brick 'H-Plan' buildings comprising several wings or 'Spurs'. The Spurs have flat roof coverings approaching end of life. The roof coverings require overcovering including renewal of fasciae and rainwater goods. Due to funding constraints and a risk averse approach to the stored collection, RMG cannot fully strip and replace the roofs.

This opportunity is for construction works at Prince Philip Maritime Collections Centre, for Spur Roof Overlays, as detailed in Schedule 5 - Schedule of Works and Specification

Further information relating to this is within the tender documents
