Scope

Description

The British Council would like to invite tenders for the hire of venues and rooms for all our operations in Bucharest. With this tender we would like to have up to three hotel venues in Bucharest. In a regular basis, without excluding other cases, we organise multiple examinations, so the requested services are considered a key element to provide our examinations services' high standards. In addition, it is extremely important to find a professional hotel provider that guarantees the high standards, accessibility and security when it comes to organising international exams, conferences, and staff meetings.
