Published 6 August 2025, 8:29pm

### **Scope**

### **Reference**

PA0001

### **Description**

Peabody Group are seeking to appoint Contractors onto a framework for the provision of passive fire safety works and mechanical & electrical fire services amongst our 108,000 strong properties, Pan London, north home counties and surrounding areas. To deliver this service Peabody Group will appoint multiple Contractors to a framework to provide a comprehensive passive fire safety works, with 4-6 contractors appointed to the framework.

The scope of works deemed to be included within FRA works comprises of, but is not limited to:

Works to be called-off on a case-by-case basis in respect of passive fire works as recommended in Peabody Trusts FRAs or otherwise to improve the safety of existing buildings. The geographical scope of the works is any property owned by Peabody Trust,

located within London and north home counties or surrounding areas, including Sussex. For clarity, no works under this Framework is guaranteed, and orders will be raised at the discretion of the Peabody Trust.

## **Contract locations**

- UKI - London

---

## **Framework**

### **Maximum number of suppliers**

Unlimited

### **Maximum percentage fee charged to suppliers**

0%

### **Framework operation description**

Works will be allocated by further mini competition or via direct award subject to contractor ranking and any other contractor on the following basis;

For clarity, no works under this contract are guaranteed or equally distributed, and orders will be raised at the discretion of the Peabody Trust.

Contractors will be allocated work according to the following criteria:

- a)The lowest tendered rates submitted as part of this tender exercise.
- b)Current performance in the delivery of existing work under the Framework against Key Performance Indicators; Following a review of 4 months KPIs

c) The volume of Works in Progress (WIP) that the Contractor is currently undertaking; The Employer will review WIP weekly and agree with the Contractor a maximum WIP limit.

For reasons of urgency, where it is not reasonably practical to award the Call-Off Contract by way of a Mini-Competition.

Where the Call Off has substantial similarities to a previous project the Contractor/Consultant was involved with.

## **Award method when using the framework**

Either with or without competition

## **Contracting authorities that may use the framework**

Establishing party only
