Contract

Near Surface Disposal Permit Requirements

Environment Agency

UK7: Contract details notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-046842

Procurement identifier (OCID): ocds-h6vhtk-04edc7 ([view related notices](#))

Published 7 August 2025, 11:45am

Scope

Reference

NSD Project

Description

The project will collate national and international knowledge and practices on appropriate radioactive substance regulation permit requirements (e.g. relating to facility design, waste inventory, waste activity concentration, heterogeneity) for different near surface disposal facilities and settings to assist in making informed decisions on permit requirements. Project completion is scheduled for the end of August 2025.
