### **Scope**

### **Reference**

C20252463

### **Description**

Ofcom has a requirement for media literacy activities that embed digital citizenship skills into digital inclusion activities in Northern Ireland.

As a minimum, the following must be delivered by September 2028:

- Embed digital citizenship activities in delivery of digital inclusion activities with adults
- We expect any activities or resources to be co-produced with target participants
- Organisations will ensure activities are embedded into existing activities, for example, delivering training, events, support or any other means necessary.
- There is an expectation of stakeholder engagement which will include:
  - o Promoting media literacy activities to relevant community organisations
  - o Supporting activities intended to inform policy development, which will be led by Ofcom
  - o Seeking input from expert steering group, which will be led by Ofcom
  - o Working in partnership with any other organisations commissioned by Ofcom in relation to media literacy in Northern Ireland
- Organisations will work with Ofcom's evaluation adviser to produce a theory of change, key evaluation questions and data collection tools following the approach outlined in our evaluation toolkit
- Organisations will be willing to share learnings with Ofcom's Making Sense of Media network

### **Total value (estimated)**

- £175,000 including VAT

Below the relevant threshold

### **Contract dates (estimated)**

- 9 October 2025 to 8 October 2026

- Possible extension to 8 October 2028
- 3 years

Description of possible extension:

Any contract(s) awarded following the conclusion of the tender process will be for an initial duration of one year. At Ofcom's sole discretion, the contract may be extended for up to two further periods of up to twelve months each. The maximum length of the contract is therefore three years.
