CAV-DIR-(25-26) 49

## **Description**

The Prevention and Early Years Schemes collectively work to address health inequalities and support long-term wellbeing in Cardiff and the Vale of Glamorgan by fostering early intervention, community involvement, and fair access to health and sustainability programs. Funded via a grant to support statutory public services, these initiatives focus on promoting healthy lifestyles in pre-schools, using volunteering to reduce social isolation, and improving preventative healthcare access for ethnic minority groups.
