Description

The Essex Renewal Fund (ERF) is a revolving investment fund for land and property projects within Essex that support Essex County Council's (ECC's) objectives.

Following a soft market testing exercise in January 2023, ECC competitively procured Fund & Asset Management services for ERF, and appointed Montagu Evans. We are now looking to procure Lettings & Facilities Management services for the Fund.

As the ERF portfolio is expected to be varied and change over the contract period of up to 10 years, the contract specification must be flexible, but pricing must be competitive and predictable.
