Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Provision Of Mobile Telephony Business Services Contract

Reference number

FRAM-1527-WP-25

II.1.2) Main CPV code

- 64212000 - Mobile-telephone services

II.1.3) Type of contract

Services

II.1.4) Short description

Coventry University Group invites tenders from suitably qualified and experienced UK mobile network providers for the supply, management, and support of mobile telephony services. This Invitation to Tender (ITT) outlines the requirements and expectations for a long-term partnership that delivers best-in-class voice, data, and roaming services.

We are seeking a comprehensive response to a business mobile contract that supports a range of user needs across academic, administrative, and executive roles. This contract will be awarded to the most economically advantageous tender (MEAT) based on overall value, service quality, innovation, and cost.

Coventry University is utilising the CCS Framework Agreement Mobile Voice and Data Services Reference Number RM6261 Lot 2 - Mobile Voice and Data Solutions.

Text

Coventry University Group invites tenders from suitably qualified and experienced UK mobile network providers for the supply, management, and support of mobile telephony services. This Mini-Tender outlines the requirements and expectations for a long-term partnership that delivers best-in-class voice, data, and roaming services.

We are seeking a comprehensive response to a business mobile contract that supports a range of user needs across academic, administrative, and executive roles. This contract will be awarded to the most economically advantageous tender (MEAT) based on overall value, service quality, innovation, and cost.

Please provide a five-page proposal document response on this basis, complying with the requirements outlined in the Mini-Tender document.

Coventry University is utilising the CCS Framework Agreement Mobile Voice and Data Services Reference Number RM6261 Lot 2 - Mobile Voice and Data Solutions.

Only suppliers on Lot 2 of the CCS Mobile Voice and Data Services Framework can bid for this requirement.
