Reference

P/REF 00000417

Description

Historic England (HE) and English Heritage Trust (EHT) who it supports through a Shared Service are looking to engage with a supplier to provide a range of scheduled and ad-hoc security services to help both organisations protect themselves against cyber threats.

The successful partner will be able to offer a range of services (see tender documents) allied with a proactive approach to supporting the organisations and including the ability to communicate at all levels, from technical specialists to C-level.
