Description

This market event will relate to the re-commissioning of the Specialist Family and Carers service by Stockton-on-Tees Borough Council, which aims to support people affected by someone else's drug or alcohol use, and/or involvement in the illicit and illegal drugs trade.

The service will work holistically with families and carers to help them:

- Manage, cope with, and reduce the impact of substance use on the whole family unit.
- Support loved ones through their substance use treatment and recovery journey.

This will be achieved through a mix of structured 1-1 and group interventions and trauma-informed counselling, following a robust initial assessment and care planning process.

Service users will also receive ongoing information, advice, guidance, advocacy, peer support, training, signposting, respite activities, crisis intervention and practical support.
