Reference

CSEC.24.2526

Description

Stockton Borough Council has been successful in obtaining funding from Tees Valley Combined Authority's City Region Sustainable Transport Settlement, which included an allocation for improvements to the Cycle Network between Thornaby and Stockton Town Centre. The deadline for the funding stipulates that all spend must be made and the project completed by March 2027. Initial concept design work was completed by Sweco at the beginning of 2025, and we now require preliminary and detailed design work to be undertaken. Sweco have also recently completed detailed design for an adjacent Thornaby Town Deal Cycleways project and there are overlaps between the two schemes.

Sweco were asked to provide a quotation as the 1st ranked supplier on Lot 9 and their returned fee proposal and activity schedule have been reviewed and evaluated. Sweco's

fee proposal has been reviewed arithmetically and technically and rates used are in compliance with the NEPO framework. Due to the extent, complexity and estimated value of the capital works at outline design stage the hourly rates and hours submitted are realistic and proportionate for the works.

Contract 1. Thornaby to Stockton Cycleway Preliminary and Detailed Design

Supplier

- SWECO UK LIMITED

Contract value

- £173,489.60 excluding VAT
- £216,862 including VAT

Above the relevant threshold

Date signed

12 August 2025

Contract dates

- 12 August 2025 to 1 May 2026

- 8 months, 21 days

Main procurement category

Services

CPV classifications

- 71311200 - Transport systems consultancy services
- 71311210 - Highways consultancy services

Contract locations

- UKC11 - Hartlepool and Stockton-on-Tees

Justification for not setting key performance indicators

Supplier is providing consultancy services only based around design and delivery so it was not deemed necessary that KPI were required.

Other information

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Direct award

Direct award justification

Single supplier - technical reasons

Sweco were asked to provide a quotation as the 1st ranked supplier on Lot 9 of NEPO212 Frameworks and their returned fee proposal and activity schedule have been reviewed and evaluated. Sweco's fee proposal has been reviewed arithmetically and technically and rates used are in compliance with the NEPO framework. Due to the extent, complexity and estimated value of the capital works at outline design stage the hourly rates and hours submitted are realistic and proportionate for the works.

Direct award was an allowable call off from this framework.
