Scope

Description

This procurement is required for works to Hapton Station Footbridge which is located on Manchester Road, Hapton, Burnley.

The works for this Procurement exercise involve bridge repainting and bearing replacement. The Scope of the work includes lifting the footbridge from its location, off-site blast cleaning and preparation, removal and installation of new bearings, followed by repainting of the structure.

The footbridge will then be replaced back into location by the successful contractor. as the bridge spans the railway line, the appropriate railway possessions will be required to remove and replace the structure
