Contract

## **Provision of Electronic Flight Bag (EFB) Software**

Ministry of Defence

UK7: Contract details notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-048299

Procurement identifier (OCID): ocds-h6vhtk-050615 ([view related notices](#))

Published 13 August 2025, 10:32am

### **Scope**

### **Reference**

713233450

### **Description**

The Authority proposes to enter into a contract with the above-named supplier "Jeppesen UK Limited" on a single source basis in accordance with paragraph 6 of Schedule 5 to the Procurement Act 2023 as competition is absent for technical reasons. No other supplier can supply the software and there are no suitable alternatives.

To meet the Authority's requirement, the software to be purchased has to be compatible with the existing Jeppesen Foreflight Despatch software. The currently used Jeppesen Foreflight Despatch software is a unified flight planning and collaboration hub which optimises flight planning and bridges the gap between flight planners and pilots. This is embedded across the Air Mobility operation and runs on Jeppesen systems that are not capable of integrating with software from a third party.

The interoperability between the Foreflight Despatch software and potential EFB software

is critical for pilots to receive real time updates to flight paths, weather conditions and other essential data whilst in the air. The Jeppesen EFB software has the widest coverage of global aeronautical information. The consequence of having a different model would result in an unacceptable reduction in operational effectiveness and safety, there would be an increase costs.

---

## **Contract 1. Provision of Electronic Flight Bag (EFB) Software**

### **Supplier**

- Jeppesen U.K. Limited

### **Contract value**

- £1,051,628.40 excluding VAT
- £1,261,954.08 including VAT

Above the relevant threshold

### **Date signed**

30 July 2025

### **Contract dates**

- 30 July 2025 to 29 July 2026
- Possible extension to 29 June 2028

- 2 years, 11 months

Description of possible extension:

2 x 12 month option years

## **Main procurement category**

Goods

## **Options**

The right to additional purchases while the contract is valid.

2 x 12 month option years

## **CPV classifications**

- 48326000 - Mapping software package

## **Contract locations**

- UKJ1 - Berkshire, Buckinghamshire and Oxfordshire

## **Justification for not setting key performance indicators**

The contract is valued under £5M inc. VAT and does not need Key Performance Indicators (KPIs) as a result.
