Tender

Request for Quotation - Clydach Gateway Design

Monmouthshire County Council

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-048830

Procurement identifier (OCID): ocds-h6vhtk-05881c

Published 14 August 2025, 2:59pm

Scope

Description

Monmouthshire County Council (MCC) is seeking quotations for Clydach Gateway Design.

MCC has secured Heads of the Valleys Legacy Funding from the Welsh Government to enable it to develop and implement plans to improve the Clydach Gateway site in Monmouthshire, to provide a visitor gateway to the Clydach ironworks, gorge and countryside access network by building on the works already completed by MCC on the ironworks site, increasing connectivity of the three parts of the wider site and considering equality and inclusivity of provision, through a range of enhancement opportunities such as landscaping, access and signage improvements, creating a safe and accessible outdoor space and key tourist destination, improving the overall visitor experience and site appeal.

.

The project's main objectives that this procurement contributes to are:

> Clydach gateway enhancement works to enhance the visitor welcome, improve linkages to public transport and between the picnic site & ironworks, and increase the durability of the site's infrastructure

> Reinstate the Puck's Valley / Cwm Puca Trail and the Corridors to the Past Trail as key visitor routes through the gorge, including renewal of waymarking, promotion and other minor improvements.

.

MCC now requires the services of a consultant to enable it to realise its ambitions for the Clydach Gateway site by undertaking the assessment, design and oversee implementation of the scheme.

.

Please see Request for Quotation - Clydach Gateway Design document available from Sell2Wales for full details of the scope and requirements of this procurement.
