Services

## **CPV classifications**

- 48000000 - Software package and information systems
- 72212000 - Programming services of application software

## Contract locations

- UK - United Kingdom
- 

## Engagement

### Engagement deadline

5 September 2025

### Engagement process description

The aim of the engagement is to help the FCA understand solutions that can help it meet the following outcomes :

- A new, engaging, accessible & more user-friendly intranet
- A centralised, collaborative workspace that delivers personalised company communications to colleagues and provides an integrated user experience across other FCA platforms such as Workday, ServiceNow and Condeco
- Improved content management process for editors and Internal Communications team.
- To register your interest, view and respond to the RFI questions - please visit the Atamis Supplier portal here: <https://atamis-fca.my.site.com/login> And then search for this opportunity.
- If you do not have an Atamis account with the FCA, please complete your registration here: <https://atamis-fca.my.site.com/s/Welcome>

And follow the registration process. You will then be able to access the opportunity in the link provided above.
