Engagement

Engagement deadline

30 October 2025

Engagement process description

As we progress with the preparation for the Enterprise IT Service Desk / Project Novus

procurement we would like to create a register of interested providers, whether as Prime or Sub-Contractors, that could be shared with other potential providers to commence discussions around potential supply chain solutions and to support SME engagement. If you would be interested in being on the register, can you please provide contact details using the form below. Participation in this exercise is not mandatory but strongly encouraged and contact details of those who express an interest only will be shared with others who have also responded.
