Scope

Description

The Horniman Museum & Gardens (HMG) is inviting tenders from suitably qualified and experienced organisations for the design, supply, installation and commissioning for the replacement of the existing CCTV recording platform.

The HMG is currently extending its CCTV coverage and requires a CCTV recording platform that can accept cameras from multiple manufacturers. Hence the existing platform is to be replaced. The new CCTV recording platform is to accept, record and display the current HikVision Ethernet cameras, existing analogue cameras and new Ethernet cameras from different manufacturers.

The Contract also includes the optional maintenance of the complete CCTV system for three (3) years + One (1) + One (1).

The CCTV recording platform replacement project is to provide the Horniman Museum & Gardens with a like for like replacement of the existing CCTV system with no loss in performance and functionality, only improvements.
