Reference

W187521

Description

PLEASE MAKE CONTACT FOR FURTHER DETAILED INFO.

To provide an outpatient dispensing service from a remote hub, or remote location, whereby the dispensed products can either then be sent back to the hospital for patient collection, collected from the hub itself, or delivered to the patients home.

Please note this does not include the costs of medicines.

The Trust is seeking through pre market engagement to understand the potential operating and business model(s), including contract length, break clause periods, financial models and other requirements.

Total value (estimated)

- £400,000 excluding VAT
- £480,000 including VAT

Above the relevant threshold
