Description

There are six gardens that are in need of urgent repair works at GreenSquareAccords Ben Grazebrook site in Gloucestershire. The gardens are part of a 15 year old development on a very steep hill. The gardens have slipped causing the retaining walls to fail, destroying back fences, patios, and footpaths which are now currently closed off to the public. This tender is to secure a supplier to design and deliver a full repair and make good of all damaged areas.
