General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

EEM0026 Heating and Hot Water Systems Framework

Reference number

EEM0026

II.1.2) Main CPV code

- 50720000 - Repair and maintenance services of central heating

II.1.3) Type of contract

Services

II.1.4) Short description

Efficiency East Midlands Ltd (EEM) is a not for profit consortium which establishes and manages a range of Frameworks and Dynamic Markets agreements. Our membership

includes public sector organisations such as housing associations and ALMO's, local authorities, NHS trusts, education providers, emergency services, government agencies and charities.

EEM have also established a formal collaboration with 3 like-minded procurement consortia -

Westworks, South East Consortium and Advantage South West. The membership list for these three consortia may be obtained from the following website addresses:

<http://www.westworks.org.uk>

<http://www.southeastconsortium.org.uk>

<http://www.advantagesouthwest.co.uk>

The aim is to work together to align processes and practices, share our frameworks where possible and provide the best possible services to our combined members and usership. All current and future members and users of EEM are able to access this Framework.

EEM have conducted this tender exercise to procure a Heating and Hot Water Systems Framework. The framework has been awarded based on the II.2.5 Award Criteria.

II.1.6) Information about lots

This contract is divided into lots: Yes

Section VI. Complementary information

VI.3) Additional information

The call-off contracts to be awarded pursuant to the framework agreements to be entered at conclusion of the procurement exercise may extend for a duration of up to 5 years beyond expiry of the 4-year framework term.

Please note that the total framework value stated within this notice is in relation to the full 4-year framework and takes into consideration the lot structure, length of call off contracts and that the EEM membership may grow over the framework lifetime. The total framework value is split amongst the lots and each lot value is specified within the relevant section of this notice.

The framework has been procured by EEM on behalf of the organisations that have been accepted as authorised users. Authorised users are classed as any current company law member, any future company law members and any user that has been authorised access to the frameworks and other public procurement tools provided by EEM.

EEM is incorporated as a company limited by guarantee and is owned and governed by a small number of organisations who make up our 'Company Law Members' all of which are Contracting Authorities in their own right.

The Framework Agreements being procured by the procurement exercise begun by publication of the Contract Notice will be entered by EEM as the Contracting Authority which will have undertaken and completed that procurement exercise. Any reference in the Contract Notice or tender documents to Contracting Authority is deemed to be and include a reference to EEM.

The organisations entitled to access and use the Framework Agreements awarded at conclusion of the procurement exercise begun by publication of the Contract Notice are:

Any current EEM Member - being an organisation which is a Company Law Member of EEM at the date of this Contract Notice and being one of the organisations who owns and governs EEM;

Any Future Member of EEM, from time to time Company Law Members and the EEM Board may appoint additional organisations to become Company Law Members. All Future Members will also be Contracting Authorities in their own right; and

A Framework User - being an organisation who has signed and agreed to the terms of accessing EEM Frameworks and who is authorised to access the frameworks and other public procurement tools provided by EEM.

EEM frameworks may accessed by all publicly funded organisations. Frameworks can be used by any organisation that falls in to one or more of the categories listed below and can be identified through the links provided as users in accordance with the Public Contracts Regulations 2015 or the Procurement Act 2023.

The list of potential framework users below is not exhaustive of all organisations who can utilise EEM services, access will be granted to any publicly funded organisation. Registered Social Landlords in England and Wales, including but not limited to

1. Registered Social Landlords in England and Wales, including but not limited to <https://www.gov.uk/government/publications/registered-providers-of-social-housing>

2. Local Authorities, including but not limited to England and List of councils in Wales

3. National Health Service (NHS) bodies including NHS Trusts, foundation trusts, Integrated Care Boards or Partnerships, GP federations and other health and social care providers within England and Wales

4. All emergency services including Police Forces, fire and rescue departments and emergency medical services

5. All education establishments including but not limited to, schools maintained by local authorities, academy trusts, colleges, universities and other further education establishments

6. Registered Charities with a relevant link to the core purpose and services provided by EEM

7. All other contracting authorities as defined in the Public Contracts Regulations 2015 or the Procurement Act 2023
