### **Scope**

### **Reference**

DN772870

### **Description**

Torridge District Council aims to provide Electric Vehicle Charging Points (EVCP) in its prominent and popular public car parks and its business facilities. TDC's aim is to have 24 charging points installed within 12 months in a three-phased approach, with the potential of further sites which will be considered under future long term plans. The successful supplier will supply, install, maintain and operate the EVCP's. This is a Concession Contract.
