ELIGIBLE UK CONTRACTING AUTHORITIES

The table below includes links for the UK Contracting Authorities eligible to use the Framework Agreement. For the avoidance of doubt, the Framework Agreement is intended for use by ALL UK Contracting Authorities.

It includes but is not limited to education establishments (schools, academies, colleges, universities), central government departments (and their agencies), non-departmental public bodies, local government authorities, health and social care establishments (including NHS trusts), emergency services, registered social landlords, and registered charities.

Where a Contracting Authority is not listed specifically but is deemed by the UK Government to be classed as a UK Contracting Authority or a new Contracting Authority is established, it may still access the Framework.
