The Trust considers that an award must be made urgently, the reason for the urgency was not foreseeable by and not attributable to the Trust due to the Emergency Award by

NHS England of the Head Contract for Healthcare Services at HMP Lowdham to the Trust. Delaying the award of the contract to satisfy the requirements of the PSR would likely pose a risk to patient or public safety. The award term reflects the novation of

existing supplier subcontracts from the incumbent on existing terms to ensure the continuity of healthcare services during the mobilisation period of less than three-months.

The period of mobilisation would not have allowed the Trust to identify alternative provision for the subcontracted service.
