## **Procedure**

## **Procedure type**

Direct award

## **Direct award justification**

- Single supplier technical reasons
- Additional or repeat goods, services or works extension or partial replacement
- Extreme and unavoidable urgency

Sport England Finance system is Oracle Netsuite

There is an interdependency on the new Information Management System being

integrated before the current finance system can then be updated and or replaced

Oracle Netsuite is not available on any CCS frameworks therefore an STA direct award option was deemed necessary for continuity of service for the organisation to be able to continue its functions

The renewal was due to replace the previous contract therefore this procurement activity was necessary and unavoidable

The Netsuite Oracle service product is a repeat IT system
