## **Preliminary Market Engagement for WCHG 2026-2029 Boiler Upgrade Programme**

Wythenshawe Community Housing Group (WCHG)

UK2: Preliminary market engagement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-050303

Procurement identifier (OCID): ocds-h6vhtk-058b99

Published 20 August 2025, 4:13pm

### **Scope**

### **Reference**

734

### **Description**

We are looking for a contractor to deliver primarily a 3 year + 1 + 1 boiler and central heating upgrade contract, providing a consistently high level of service, achieving good customer satisfaction ratings, and help streamline heating works to void properties.

WCHG are exploring a number of options such as Air Source and Ground Source Heat Pumps, Electric Boilers, and Photo Voltaic panel installations, and the contractors to be used to facilitate speed and ease with which works can be planned and deployed, to maximise chance of success when seeking to secure grants through the various government funding opportunities.

The maximum annual budget is £1.6m- therefore (including all extensions) the value of this contract equates to £8m (incl.VAT).

### **Contract dates (estimated)**

- 1 April 2026 to 31 March 2029
- Possible extension to 31 March 2031
- 5 years

### **Main procurement category**

Works

### **CPV classifications**

- 42160000 - Boiler installations
- 42511100 - Heat-exchange units
- 44621000 - Radiators and boilers
- 45331100 - Central-heating installation work
- 45331110 - Boiler installation work

### **Contract locations**

- UKD - North West (England)

---

## **Engagement**

## **Engagement deadline**

2 September 2025

## **Engagement process description**

We are looking for a contractor to deliver primarily a 3 year + 1 + 1 boiler and central heating upgrade contract, providing a consistently high level of service, achieving good customer satisfaction ratings, and help streamline heating works to void properties.

WCHG are exploring a number of options such as Air Source and Ground Source Heat Pumps, Electric Boilers, and Photo Voltaic panel installations, and the contractors to be used to facilitate speed and ease with which works can be planned and deployed, to maximise chance of success when seeking to secure grants through the various government funding opportunities.

The maximum annual budget is £1.6m- therefore (including all extensions) the value of this contract equates to £8m (incl.VAT).

Please respond via The Chest.
