Description

Sefton Council provides an occupational health service to its employees which it also extends to its Schools, Academies and local organisations through SLA agreements.

The Council currently purchases a variety of occupational health services in relation to its conditions of service, pension provision, statutory requirements, more specific requirements of health and safety legislation and national health strategies as they apply.

The numbers of staff employed by the Council fluctuates with seasonal, casual and temporary staff, but accounting for these fluctuations the total number of employees including schools can be in the region of circa 8,000. Occupational Health Providers are now invited to tender for the provision of services to the Council.

The Council is prepared to consider more than one Contractor so it can ensure its overall provision is as cost effective and flexible as necessary to meet its continually changing

operational needs. Consequently, the contract is separated into 3 Lots:

- 1) Occupational Health Physician and Occupational Health Advisor
- 2) Physiotherapy
- 3) Counselling and Psychotherapy / CBT / Trauma-based Therapy

Providers can bid for single or multiple lots.

Total value (estimated)

- £1,074,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 January 2026 to 31 December 2027
- Possible extension to 31 December 2029
- 4 years

Description of possible extension:

There will be 2 x 12 month extensions which will be exercised if the chosen provider(s) performs to the required standards and costs remain within budget.

Other information

Description of risks to contract performance

1. Increase in the number of Occupational Health referrals requiring access to the service. The capacity within the contract must enable us to respond to increased demand. This area is of strategic importance to the Service, so it is high risk. We need the ability to respond by expanding the contract.
2. Possible changes to legislation or policy.
3. The use of Artificial Intelligence will require clear oversight and governance of any use and possible amendments to contractual terms.

4. The emergence of yet unidentified risks to health or associated with future roles undertaken by Council employees to which there has been no Health and Safety assessments carried out.
5. The occurrence of traumatic events which could have a significant impact on the mental health of Council employees.
6. Possible requirement to provide services outside of proposed contractual hours as a result of specific demand yet unidentified.

Competitive flexible procedure description

For those bidders that meet the Conditions of Participation, there will be a 2 stage award process.

Stage 2i will comprise of a written submission in response to various Quality and Method Statement questions plus a price submission. The responses to each Quality and Method Statement question will be scored (0 - 5) according to the Table on Page 35 by a panel of

assessors taken from Sefton Council. A moderation process will take place to determine an agreed score for each submission.

For each Lot up to a maximum of two bidders submitting the highest scoring bids based on quality and price will then be taken through to Stage 2ii of the award process subject to those bidders being able to promote their bid to a successful position with the marks remaining for Stage 2ii of the award process

Stage 2ii of the process will comprise of an interview with a panel consisting of members of Sefton Council's Occupational Health and HR departments. The interview will consist of a series of set questions to which the interviewee will be expected to respond to. The questions will NOT be made available to bidders prior to the interview.
