- 1 year

## **Main procurement category**

Works

## **CPV classifications**

- 45232121 - Irrigation piping construction work

## **Contract locations**

- UK - United Kingdom

---

## Engagement

### Engagement deadline

29 August 2025

### Engagement process description

Defence Munitions Beith are requesting information on the below mentioned requirement. The Authority intends to engage with industry and are looking for expressions of interest from parties who wish to dial in/hear more on the upcoming requirement.

The Requirement: The Authority is potentially looking for a contractor to supply a solution for the replacement of pipework across numerous buildings. The piping must be:

- Suitable for breathing air applications
- Low maintenance
- Preferably lightweight aluminium solution

It must be able to withstand/ be compatible with safe working pressure of 12 bar and be able to connect to existing compressors and ancillaries.

The intent of the contract is to include both removal of previous piping structures, as well as the installation of the new solution, along with providing training and support to internal stakeholders for operational use and maintenance. The solution must meet certain minimum pressure requirements of 12 bar.

The Authority does not require a bespoke built service, but the service does need to meet the essential requirements that will be fully set out in the Statement of Requirement at a later stage.

We request that industry respond to the below questions to confirm interest in attendance and return these to [DESWpnsDM-CSI-Comrcl@mod.gov.uk](mailto:DESWpnsDM-CSI-Comrcl@mod.gov.uk) using the title 'RFI response for Replacement Piping'.

The closing date for expressions of interest is 11.59pm Friday 29th August 2025.

All interested parties will be given further information relating to the bidder's conference, including the date of the conference, in due course.

Question as follows:

- Is the Replacement Piping Contract something your organisation would be interested in submitting a bid for? Yes / No

- Do you intend to bid as your own organisation or part of a consortium? Own / Consortium/Unknown

- We are planning to hold a bidders' conference via Microsoft Teams.

Please confirm whether you would like to receive further information with regards to this conference and potential attendance. Yes/No

- If yes please provide the full name of your company and names and email addresses for those interested in attending

(Maximum 3 people)

- Do you have any questions regarding the requirement which you would like us to address during the bidder's conference?

- Please state your organisations national coverage for works/services.
