VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

This modification extends the contract term by 8 months:

Original contract 01/04/2020-31/03/2023

Optional 2 year extension used 01/04/2023-31/03/2025

Previous Contract modification 01/04/2025-31/07/2025

This Contract modification 01/08/2025-31/03/2026

The modification is made at the discretion of the relevant authority and the modification does not render the contract or framework agreement materially different in character and the cumulative change in the lifetime value of the contract or framework agreement, compared to its value when it was entered into, is under 25%.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

Extension of existing contract term to new end date of 31 March 2026, permissible in line with Section 13 - 2A and 2B (ii) of The Health Care Services (Provider Selection Regime) Regulations 2023.

The modification does not render the contract or framework agreement materially different in character and the cumulative change in the lifetime value of the contract or framework agreement since it was entered into or concluded is less than 25% of the lifetime value of the original contract or framework agreement when it was entered into or concluded

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £4,009,123

Total contract value after the modifications

Value excluding VAT: £4,589,369
