Scope

Reference

CA245 (2026) - Earthing Design and Consultancy Services

Description

NIE Networks wishes to appoint suitably qualified and experienced service providers on framework for the provision of earthing designs, assessments, consultancy services and training.

The Framework Agreement will comprise the following three areas:-

Part 1 Consultancy support service

Part 2 Earthing designs, assessments and measurements

Part 3 Training courses

The above list of activities is not exhaustive. A full list of the Services to be delivered is included in the Scope of Services and associated documents. The Services shall be

carried out at various locations throughout Northern Ireland, as detailed within the Framework Agreement.

The Contracting Entity intends to establish Framework Arrangements for the provision of Earthing Design and Consultancy Services. The Framework Agreements will be for a period of five (5) years with an option, exercisable entirely at the discretion of the Contracting Entity and subject to the terms of the Framework Agreement, to extend by a further optional period of up to three (3) years, with a total potential duration of eight (8) years.

Commercial tool

Establishes a framework
