#### II.1.4) Short description

Ordnance Survey (OS) requires a Subscription Management Platform that can plug into the OS Maps web estate to allow both UK and international based customers to purchase and manage their subscriptions and account details. OS Maps is OS' award-winning outdoor app; providing access to all 607 OS Leisure maps, over 1.5 million routes across the whole of Great Britain as well as a host of mapping and navigation features to help customers make the most of their time outdoors. Whether the user is planning a walk, hike, run or ride; OS Maps allows the customer to create more adventures with trusted

mapping, routes and navigation tools created by Ordnance Survey. The app not only hosts thousands of ready-made routes that the users can explore, but it also allows the customer to create their own quick and easy to plot routes to follow.
