II.1.4) Short description

NIE Networks wanted to establish framework panels of suitably qualified and experienced service providers who could provide resources for the following areas:

Lot 1 - Data Specialists - Provision of data development resources to assist the inhouse Data Team in the analysis and reporting of business data.

Lot 2 - Architecture Specialists - Provision of technical architect resources to assist the inhouse IT Team in the delivery of the RP7 programme of work.

The resulting framework panels are for provision of professional service provision.

In order to meet all of the business needs, NIE Networks appointed suitably qualified and experienced Data & Architecture Specialists (under separate Framework Panels for each Lot, with the individual successful bidders), to provide the services by working closely with the IT Team.
