Notice identifier: 2025/S 000-050559

Procurement identifier (OCID): ocds-h6vhtk-05588f ([view related notices](#))

Published 21 August 2025, 2:35pm

Changes to notice

This notice has been edited. The [previous version](#) is still available.

Updating estimated tender submissions dates - new dates Tender notice published est date: 15/09/25.

Scope

Description

The organisation has two Aseptic units which are used to prepare sterile medication, most of which are chemotherapy drugs. The units have to be compliant with GMP guidelines and as such, need to commission Quality Assurance and microbial monitoring service to maintain the unit and ensure that it is constantly GMP Compliant.

Total value (estimated)

- £156,000 excluding VAT
- £187,200 including VAT

Above the relevant threshold

Contract dates (estimated)

- 2 December 2025 to 1 December 2027
- Possible extension to 1 December 2028
- 3 years

Description of possible extension:

By mutual agreement between all parties at the end of the initial term.

Main procurement category

Services

CPV classifications

- 90714500 - Environmental quality control services
- 72225000 - System quality assurance assessment and review services

Contract locations

- UK - United Kingdom

Lot constraints

Maximum number of lots a supplier can bid for: 2

Maximum number of lots a supplier can be awarded: 1

Description of how multiple lots may be awarded:
