The right to additional purchases while the contract is valid.

Duration: Initial 3 years + optional extensions (1+2+2 years)

### **Main procurement category**

Services

### **CPV classifications**

- 90711500 - Environmental monitoring other than for construction

---

## **Framework**

### **Open framework scheme end date (estimated)**

1 November 2033

**Maximum number of suppliers**

Unlimited

**Maximum percentage fee charged to suppliers**

0%

**Further information about fees**

n/a

**Framework operation description**

The Marine Macrobenthic Invertebrate Sample Analysis Framework (2025-2033). It is an Open Framework under Section 49 of the Procurement Act 2023. The Environment Agency will appoint multiple suppliers per lot, and services will be procured via mini-competitions (i.e., call-offs) under the framework. The framework duration is 3 years + optional extensions (1+2+2 years), ending no later than 1 November 2033.

**Award method when using the framework**

With competition

**Contracting authorities that may use the framework**

Environment Agency (EA) Natural England (NE) Natural Resources Wales (NRW)

---

## **Submission**

### **Enquiry deadline**

11 September 2025, 11:59pm

### **Tender submission deadline**

18 September 2025, 2:00pm

### **Submission address and any special instructions**

<https://atamis-9529.my.site.com/s/Welcome>

### **Tenders may be submitted electronically**

Yes

### **Languages that may be used for submission**

English

### **Award decision date (estimated)**

10 October 2025

---

## Award criteria

Name	Description	Type	Weighting
Tender (Technical)	The technical and commercial split is 70% technical / 30% Commercial	Quality	70.00%
Commercial	The technical and commercial split is 70% technical / 30% Commercial	Cost	30.00%

## Other information

### Payment terms

Rate Card Compliance: All charges must align with the maximum allowable rates set out in the Pricing Schedule and formal rate card. No charges exceeding these rates will be accepted unless explicitly agreed in writing by the contracting authority. Mini-Competitions: Work will be awarded via mini-competitions under the framework, and pricing must reflect the agreed scenario-based rates.

### Description of risks to contract performance

Detailed in the Tender and KPIs

### Applicable trade agreements

- Government Procurement Agreement (GPA)

### Conflicts assessment prepared/revised

Yes

---

## Procedure

### Procedure type

Open procedure

### Justification for not publishing a preliminary market engagement notice

No preliminary market engagement was conducted prior to the publication of this tender. The requirement is well-defined, and the authority possesses sufficient market knowledge from recent similar procurements. As such, additional engagement was not deemed necessary to inform the procurement strategy or specification. This approach ensures efficient use of resources while maintaining compliance with the principles of transparency, equal treatment, and non-discrimination.
