Description

For the provision of the Manston Road Environment Agency Compliance Works. The Contract entails the completion of works necessary to ensure Environment Agency compliance, and to ensure a facility at Manston Road Depot remains fit for purpose. The works include (but are not necessarily limited to): Drainage repairs and new connections; Construction of waste collection bays for skips; Pedestrian line marking; Revised site layout to ensure future redevelopment scheme is accommodated without any abortive work. The Employer will enter into a JCT Design and Build Contract 2024 with the successful Civils contractor with the experience, track record, capability and capacity to deliver the project. The project needs to be delivered by April 2026.

The Contract is anticipated to commence upon November 2025, for a duration of 5 Months (with any agreed extension/s) unless terminated in accordance with the Conditions of the Contract. The contract period will exclude Public Holidays and Christmas period closures of both the Council and appointed contractor, agreed upon

contract award.
